WELCH BEGINS DISTRICT COMMUNITY MEETINGS ON OCTOBER 17

INDIANAPOLIS – State Rep. Peggy Welch (D-Bloomington) announced today that her annual fall community meetings in the 60th House District will begin on October 17 and stretch through early November.

Since coming to the Indiana House in 1998, Welch has traditionally conducted these meetings to discuss issues in the upcoming session of the Indiana General Assembly and get reactions from area residents on the major initiatives faced by lawmakers and state government.

“One of the great pleasures I get from serving as a state representative is the chance to talk to the people of the 60th House District and find out how I can best serve their interests while at the Statehouse,” Welch said. “I always enjoy the chance to meet citizens at county fairs and festivals and numerous other gatherings, but the community meetings I conduct each fall serve as a good starting point in my final preparations for the next legislative session.

“I encourage everyone to come to these meetings, make their feelings known and help me represent the district to the best of my ability,” she continued. “If you are unable to attend, please know that you can always contact me by calling 812-323-7978 or e-mailing me through my Internet Web site at www.IN.gov/H60.”
